***Waitin on a Sunny Day***

It's rainin' but there ain't a cloud in the sky  
Must've been a [ ] from your eye  
Everything'll be okay  
Funny, thought I felt a sweet summer [ ]  
Must've been you sighin' so deep  
Don't worry we're gonna find a way

I'm waitin', waitin' on a sunny day  
Gonna chase the clouds away  
Waitin' on a sunny day

Without you, I'm workin' with the rain fallin' down  
I'm half a party in a [ ] town  
I need you to chase these blues away  
Without you, I'm a drummer girl that can't keep a [ ]  
An ice cream truck on a [ ] street  
I hope that you're coming to stay

I'm waitin', waitin' on a sunny day  
Gonna chase the clouds away  
Waitin' on a sunny day

Hard times, baby well they come to us all  
Sure as the tickin' of the [ ] on the wall  
Sure as the turnin' of the night into day  
Your [ ] girl, brings the mornin' light to my eyes  
Lifts away the [ ] when I rise  
I hope that you're coming to stay
